

SUPPLEMENTAL BID BULLETIN
ADDENDUM NO. 19-006

This Addendum No. 19-006 is issued to modify or amend items in the Bid Documents. This shall form an integral part of the Bid Documents. The following reminders were discussed during the Pre-Bid Conference for the **Bidding of Supply and delivery of various Agricultural Equipment** under the National Expenditure Program FY 2019 held last March 05, 2019.

- a. Bidding will be conducted through open competitive bidding procedures using a non-discretionary “pass/fail” criterion as specified in the Implementing Rules and Regulations (IRR) of Republic Act (RA) 9184, otherwise known as the “Government Procurement Reform Act”. Any lacking documents can cause the automatic disqualification of bids.
- b. The documents required for eligibility, technical proposal and financial proposal are found in items nos. 12 &13 of the bid documents and the Bid Data Sheet.
- c. The prospective bidder must have completed, within the period specified in the Invitation to Bid, a single contract that is similar to the contract to be bid, must be at least fifty percent **(50%) of the ABC (Php 1,693,072.00)**. This shall be included in the statement of Single Largest Completed contract (SLCC), which shall be supported by End-User’s Acceptance or Official Receipts and Certificate of Performance Evaluation.
- d. The required bid security for the bidding was discussed. Acceptable forms of bid security that bidders may opt to use, which shall include the Bid Securing Declaration, the amount of which shall not be less than the required percentage of the ABC in accordance with the following schedule:

Form of Bid Security	Amount of Bid Security (Not less than the required Percentage of the ABC) (Php 1,693,072.00)
Cash or cashier’s/manager’s check issued by a Universal or Commercial Bank.	Two percent (2%)
Bank draft/guarantee or irrevocable letter of credit issued by a Universal or Commercial Bank: Provided, however, that it shall be confirmed or authenticated by a Universal or Commercial Bank, if issued by a foreign bank.	
Surety bond callable upon demand issued by a surety or insurance company duly certified by the Insurance Commission as authorized to issue such security.	Five percent (5%)

- e. The bidders were also reminded that their Bids and Bid Securities should be valid and firm for a period that shall not exceed one hundred twenty (120) calendar days after the date of opening of bids.

Bidders have the option to choose from any of the four (4) forms of bid security provided in the bid documents. They were also reminded that the surety bond issued by GSIS as well as a cash deposit certificate is no longer accepted.

- f. A NFCC Computation or a commitment from a Universal or Commercial Bank to extend a credit line in its favor if awarded the contract for this Project (CLC) is acceptable. The CLC must be at least equal to 10% of the ABC for this Project.

The computation of a prospective bidder's NFCC must be at least equal to the ABC to be bid, calculated as follows:

NFCC= [(Current assets minus current liabilities) (15)] minus the value of all outstanding or uncompleted portions of the projects under going contracts, including awarded contract yet to be started, coinciding with the contract to be bid.

- g. The bidders shall submit two (2) separate sealed bid envelopes, placed in one (1) sealed envelope. The sealing and marking of bids were discussed and illustration was provided to the bidders showing the required envelopes and markings of the documents for the eligibility screening for technical and financial proposal.
- h. The bidders shall submit one (1) copy of original documents (certified true copies) and one (1) copy duplicate. For easy reference, all bidders shall provide dog-ear codes/tags in the presentation of their eligibility requirements.
- i. Only bids that are properly sealed with masking/transparent tape and signed by duly authorized officials shall be accepted by the BAC.
- j. Section VI (Schedule of Requirements) and Section VII (Technical Specifications) of the Bidding Documents shall form part of the Technical Proposal. The bidders should attach an evidence of compliance to Section VII. Technical Specifications i.e. brochures, pictures complete documents showing the detailed specification of the unit being offered. The other requirements stated in the Bid Data Sheet shall form part of the Technical Proposal. Section VIII and the other requirements stated in the Bid Data Sheet (including the form for "Goods Offered from within the Philippines or Abroad", whichever is applicable) shall form part of the Financial Proposal.
- k. The bidders were reminded of the following additional requirements to be attach to their Technical Proposal under Section 12.1 to wit:
 - Mayor's permit issued by the city or municipality where the principal place of business of the prospective bidder is located; or equivalent document for Exclusive Zones or Areas;
Note: Official Receipt on the Bid Proposal is accepted in case the Mayor's Permit is not yet released, however, a certified true copy of the Mayor's Permit is a requirement once the contract is awarded to the winning bidder.
 - Tax clearance per Executive Order No. 398, series of 2015, as finally reviewed and approved by the BIR.
- l. The bidders were also reminded of the following additional requirements to be attach to their Financial Proposal as stated on the Bid Documents under Section 13.1 (c) to wit:
 - Breakdown of Cost
 - Duly notarized Certificate of Availability of Stocks
- m. The following are the **Section VII Revised Technical Specifications:**
